

## **How to Access Articles from *Advance for Medical Laboratory Professionals on the Web***

Created by Southwest Virginia Community College Library

1. Go to the web site for the journal *Advance for Medical Laboratory Professionals* – <http://laboratorian.advanceweb.com>
2. Select the Detailed Search link (The link is located under the search box provided to “Search our archives for print and web articles ...)
3. Enter all title words in the Archive Search Form Keywords box, and change your search type to All Words (see the drop-down box).
4. Change the Range of Issues to search to begin with 1/16/1995 and end with the most recent date.
5. Click on the Search Archive button.
6. Select the desired articles from the list of results.

Contact a SwVCC Librarian if you have any questions.

Diane Phillips, Reference Librarian
