Southwest Virginia Community College Hazing Transparency Report

Reporting Period: July1, 2025 – December 23, 2025

Introduction & Purpose

The purpose of this report is to provide transparency regarding hazing related activities at Southwest Virginia Community College during the specified reporting period. This section should outline the commitment to a safe and respectful environment. Hazing is strictly prohibited under our policy, and we monitor and investigate any allegations through the Student Conduct Code.

Summary of Findings

Metric	Value
Number of hazing incidents reported	0
Number of investigations conducted	0
Corrective actions required	0

Conclusion

Southwest Virginia Community College remains committed to fostering a culture of respect and accountability. The absence of hazing incidents during this period demonstrates our ongoing efforts to maintain a positive and professional environment. We will continue to enforce our anti-hazing policies and provide resources to prevent any future occurrences.
